

Tres Agaves' Tequila Trail Party

Here's a trail well worth following.

Tres Agaves is hosting a **special cocktail reception** this Thursday to unveil a new 10' x 16' mural. Created by artist Francisco Franco, this magnificent work is the first authentic map of **Tequila Trail** (the four states in Mexico that make up the Tequila Region). In order for a spirit to be called Tequila, it must be made in this region. The mural will be a permanent installation over the bar allowing bartenders the ability to identify to customers where the tequila they ordered came from.

Gary Shansby (Founder of Partida Tequila), Eric Rubin (Managing Partner of Tres Agaves), and the mural's artist will be present for the event. There will be a **complimentary cocktail reception** before the unveiling.

WHEN: Thursday, Jan. 8th. 5PM-Cocktails. 6PM - Unveiling of the Mural

WHERE: **Tres Agaves**, 130 Townsend St. @ 2nd. (415) 227-0500
