TEQUILA: PARTIDA

Flavor Savor

Tequila connoisseurs who spend their time debating the best tequila money can buy can now put aside their differences thanks to Partida's new Elegante extra añejo. Aged for more than three years in American oak, Elegante received a 20 out of 20 score from The Mexican Academy of Tequila Mezcal-Wine Tasters. But the founder said he'd give it a 30 if he could ... Silly rules. Each numbered box is adorned with a sterling silver Partida Tequila Spirit Bird pendant on a black leather strap, and the bottle's crystal top helps give it a second life as a decanter once the Elegante is finished. About \$350. -LA
