The 3rd Blogiversary Party for Caroline On Crack this Tuesday, Aug. 5th

Excerpt courtesy of GOING:

Los Angeles blogger and girl about town Caroline on Crack is celebrating her site's 3rd anniversary, and surprise: she's celebrating in a bar!! Crack fans are invited for two whole hours of free Partida Tequila and Martin Miller's Gin cocktails at Caroline's favorite West Hollywood watering hole, Bar Lubitsch.

For the occasion, Gordon Ramsay's star mixologist Damian (from The London) has created stunning signature cocktails, which will be mixed by the fine bartenders at Bar Lubitsch:

Bee's Knees: Martin Miller's gin lemon with runny honey.

Margarita: Partida blanco tequila with cucumber foam and agave nectar.

Siesta: Partida reposado tequila, Campari and grapefruit -- sorta like the Sculaccione at Osteria Mozza.

After the free liquor stops flowing, stick around for the dj, dancing and Bar Lubitsch's yummy specialty cocktails available at the cash bar.

Leyna's Cupcakes will supply their award-winning cupcakes for the party. Because nothing pairs with cocktails as well as cupcakes, my friends.

There will be giveaways for stuff from South, Citizen Smith, La Cantina, Leyna's Cupcakes and more.

RSVP to attend. However, this does not guarantee admittance so make sure to get there early. Click [HERE](#) to RSVP.
